FIELD MEMORANDUM SCS # 933B

Re: Initiation of Development  
Work (Control of Land)  
in LU Project Areas.

TO ALL RANKING FIELD OFFICES:

The purpose of this instruction is to amend Paragraph 1a of Field  
Memorandum SCS # 933, dated July 11, 1940, as follows:

Where an interest is to be acquired in private, county or state-owned lands for doing and maintaining permanent development work thereon, Form SCS-434, "Option for Purchase of Easement by the United States of America," and SCS-435, "Easement to the United States of America (Permanent use and development)", will be used. The procedure for the procurement and submission of easements, and for the title clearance thereof will be in accordance with instructions of the Land Acquisition Division. In those instances where a corporation, state, or county lacks authority or is prohibited by law or by an order or rule of court to execute Forms SCS-434 and SCS-435, other forms, when approved by the Solicitor, will be acceptable.
